

Setup

1. Place the “pond tile” in the center and place the panda and gardener on it.
2. Shuffle the Land Plot tiles and place them face down.
3. Set out irrigation channels and improvement tiles.
4. Shuffle and set out the Objective cards by color and the Emperor

card.

5. Give each player a player board, 2 matching action chips, and 1 objective card of each type (keep them hidden).
